LinkedIn Profile

About

Experienced AI Engineer with 7+ years in developing and deploying scalable machine learning solutions. Specializing in NLP, computer vision, and predictive analytics. Proven ability to lead cross-functional teams and drive innovation in product development. Always eager to learn new technologies and contribute to cutting-edge projects.

Experience

Senior AI Engineer - TechInnovate Inc.

San Francisco, CA | January 2022 - Present (2 years 6 months)

Led the development of a new sentiment analysis model (BERT-based) improving accuracy by 15%. Mentored junior engineers and contributed to architectural design for scalable AI services.

Machine Learning Engineer - DataInsights Solutions

Palo Alto, CA | June 2018 - December 2021 (3 years 7 months)

Developed and maintained predictive models for customer churn reduction. Implemented data pipelines using Apache Spark and deployed models via Flask APIs.

Junior Data Scientist - AnalyticsPro

New York, NY | August 2016 - May 2018 (1 year 10 months)

Assisted senior data scientists in data cleaning, exploratory data analysis, and report generation. Built dashboards using Tableau.

Education

Master of Science (M.Sc.) in Artificial Intelligence

Stanford University | September 2015 - June 2016

Bachelor of Science (B.Sc.) in Computer Science

University of California, Berkeley | September 2011 - May 2015

Skills

Machine Learning	Natural Language Processing (NLP)	Deep Learning	Python	TensorFlow
PyTorch	AWS	Azure	Data Science	Predictive Modeling
Apache Spark	Scikit-learn	Computer Vision	SQL	Git

Licenses & Certifications

AWS Certified Machine Learning - Specialty

Amazon Web Services (AWS) | Issued May 2020

Interests

Artificial Intelligence, Space Exploration, Photography, Hiking
